

# Meeting All Your PREP Needs

**42** Selectivities / Phases for PREP Purifications

**9** Biomolecule / Macromolecule

**5** Chiral

Particle Sizes 1.7  $\mu\text{m}$  to 20  $\mu\text{m}$

**3** Manufacturing Sites in the United States

**11** Languages Supported

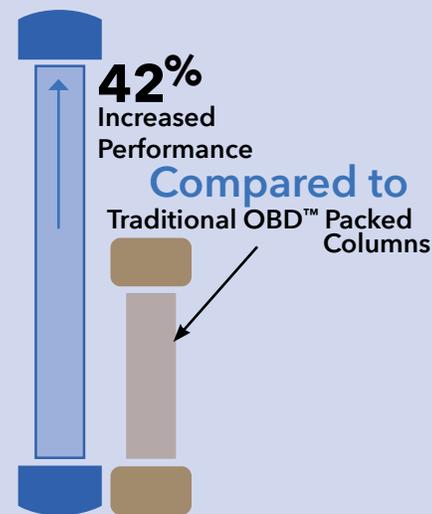

**96** HPLC Instruments Used for Quality Testing

**12** Interactive Web Tools

**9** R&D 100 Award Wins Since 2006

**100+** Charities Supported Globally

## Axia Packed Columns

**22,712** Separation Applications

**6,000+** Technical Questions Answered EVERY MONTH

**300+** Customized Technical Notes

**9,000 ft<sup>2</sup>** PhenoLogix, our customer centric, in-house analytical support laboratory

- Chiral Screening
- Method Optimization Services
- Preparative & Process Scale-up

**750+** Employees **65** Countries Representing

**phenomenex®**
